Welcome

What is "Tech4Good Bristol"?

> **Tech4Good Bristol**
> @t4gBristol
>
> Who are we? We're working to enable conversations, knowledge sharing & collaboration between #notforprofit and #tech people in #Bristol

- Non-funded (sponsors cover meetup.com and other costs)
- Run by volunteers
- Community group
- Focus on needs of not-for-profit sector

Mission (should we choose to accept it)

1. Provide a friendly, welcoming space for people who are interested in using digital technologies for the social good

   Previous tech knowledge/skill required = ZERO!

2. Run talks and workshops to improve digital and data skills for those who work/volunteer at not-for-profit organisations

3. Signpost to other local activities that are working towards similar goals

Organising Team

Jen Williams

Software Developer

Networked Planet

Ed Howarth

Development Worker

Voscur & Bath SDR

Sponsors

NetSquared

NetSquared gathers together nonprofits and activists, tech leaders and funders, and everyone who's interested in using technology for social change.

TechSoup

Donated technology for nonprofits.

Technology Trust

TechSoup's UK partner - We can help your charity, social enterprise or nonprofit access the donated software, email marketing and other digital services that are right for you

Venue - Bristol Energy

Bristol Energy is a gas and electricity company that offers fair and transparent electricity and gas tariffs for domestic and business customers across Bristol, the South West and nationwide.

Food and Drink - KETL

"We love data. And we love helping organisations make the most of it, covering everything from data quality, integration and migration to warehousing, data analysis and visualisation."

Community Shout Outs

Shout outs are a way of letting the meetup group know about events, projects, other meetup groups, tools, and anything you think will be of interest.

- Form orderly queue
- 60 seconds **max** (shorter if possible!)
- Write the details on a sticky note
  - A title
  - Your name
  - Contact details: twitter / email / website
- If you prefer not to speak in front of a group - chat to an organiser and they will do the shout out for you

@t4gbristol
#tech4good #communityshoutouts

Chat time!

This meetup finishes at 8pm

Please help us keep the room tidy
